Snow Queen Audition Pieces – Granny Greta (Dame) & Disney Lawyers

GRANNY Hello Everyone, I'm Granny Greta and I run this beautiful Hotel for my son. Everyone's so sad at the moment and have you heard *(northern accent in GoT reference)* *Winter is coming!* *(Pause)* and my poor granddaughter Gerda will be sadder than ever.*(Audience Interaction.)* No, sadder than that! Do you know why she doesn't like the Winter? Because it took her mother away and her father's joy, all in one night. *(Cry).* But that's why I must keep things going, thank God I've got that lovely boy Kai to help me, and you know, I think he may be sweet on my Gerda. Let's hope we all have a happy ending. Oh well, all work and no play make Greta a dull girl. Money is getting tight so I've decided it's time to find a new husband and one of you lucky men out there might just hit the jackpot today. Can we have the house lights up please? Let's have a look at you then, oh what about you sir? *(Banter.)* Right, I can't stand around all day chatting to you; Do you know what my motto is? Hackuna Mat…

DISNEY 1 Stop right there, madam!

GRANNY Oh, more guests. I'm afraid I think we may be full. There's a B&B down the road.

DISNEY 2 We're not staying; we're here on behalf of the Disney Corporation.

DISNEY 1 You were just about to infringe copyright there, madam, weren't you?

GRANNY Madamoiselle! I don't know what you're talking about.

DISNEY 2 Your motto, what was it again.

GRANNY My motto, oh yes, I comb my potato.

DISNEY 1 You comb your potato?

GRANNY Yes, I Comb my Potato, *(To the chorus.)* Fetch us a potato, quick!

DISNEY 2 And what does that mean?

GRANNY Well it means no worri… erm, easy mash for dinner!

DISNEY 1 Ra-heally?

GRANNY Yes, look. *(Combs potato, singing)* "Easy Mash for Dinner Tonight, and I might like some Chicken Tonight, Chicken Tonight!" That's not one of yours, is it?

DISNEY 2 No. As you were.
