Snow Queen Audition Pieces – Kai & Chorus

PORTER Good Morning, Sir. *(They release they look similar to each other.)* Can I help you?

KAI Say, do you work here, I haven't seen you before?

PORTER Yes sir.

KAI Well would you mind keeping your voice down, I've a rather confidential message I'd like to leave for Gerda.

PORTER Let's have a look then.

The PORTER takes the message from KAI and reads it out. The code used is deliberately complicated, sounding in contrast to the silly easy one's offered as better alternatives.

Swell Feet Go Ferda Sto Fop. Snell Fow Quo Feen Raheal Sto Fop. Mell Fest Investification Sto Fop. Dell Fon't Wo Forry Sto Fop.

KAI Right.

PORTER Er, that seems simple enough sir. Sweet Gerda Stop. Snow Queen Real Stop. Must Investigate Stop. Don't Worry Stop.

KAI *(Shocked.)* Good god man, you've broken the code.

PORTER Yeah, we don't use this one anymore sir, bit out a date yer see.

KAI Oh!

PORTER If you wants a really undecipherable code sir, you wanna have a word with my Glynis.

KAI Oh!

PORTER *(Calls loudly for Glynis.)* GLYNIS! GENTLEMAN HERE NEEDS A CODE! *(Shouting.)* CONFIDENTIAL, TOP SECRET.

KAI Shhh!

PORTER *(Whispers.)* She'll be right here, sir.

Glynis appears sneakily.

GLYNIS *(To KAI)* Bad night madam!

KAI Eh!

PORTER Ah, she's illustrating the code sir, she's always talked like that.

KAI I don't understand.

PORTER It's the code of opposites see, everything she says is the reverse of what it means, so Good Morning Sir becomes…

GLYNIS Bad Night Madam.

PORTER That's it.

KAI Ah!

PORTER Give this a whirl Glynis.

GLYNIS *(Taking the note and putting her glasses on.)* Not on your life!

PORTER Ah, that's a girl.

GLYNIS *(Reading the note.)* Sour Gerda Start. Rain King Fake Start. Must not Investigate Start. Please Worry Start.

Another old lady appears taking the note.

FANELLA ‘Ere, I’ve got a good one, no one's ever cracked it!

PORTER Oh yeah, Fanella, she’s got a beauty. You show the gentleman your Sausage and Mash Fanella.

KAI I rather liked the last one actually.

PORTER No, you wait until you hear this. Every word than begins with an S or an M, she substitutes Sausage or Mash, go on Fanella, give it to him.

FANELLA *(Reading.)* Sausage Gerda Sausage. Sausage Queen Real Sausage. Mash investigation…

KAI Oh wait a moment, there's something I gotta add at the end. Er, how would this go; Snow Queen has a very peculiar Smooch?

PORTER Dow Quall 'reen, Alpha Salpha Velfree pellfeculiar, Smell Ooch.

GLYNIS Rain King has a very normal suck.

FANELLA Sausage Queen has a very peculiar sausage!

KAI I'm getting a bit confused.

PORTER Don't worry sir, I'll combine all three codes and send it in Latin!
