Snow Queen Audition Pieces – Granny Greta (Dame) & Disney Lawyers

ROBBER G I caught the Summer Princess for you. *(Hands her the Broach.)*

AUTUMN Hmmm, cute Broach. She's not the Summer Princess, silly girl.

GERDA **(VO – Yes, finally rid of that horrible Broach.)** No, I'm not.

AUTUMN Ha, ya got spirit though I'll give you that. Something special about you, I think. You know, foods running low for everyone, we're having to take drastic action. *(Expects laughter from camp, gets none.)*

As the robbers move towards GERDA, ROBBER GIRL acts to protect her.

ROBBER G You're not cooking her.

AUTUMN It was a joke! She can stay with me.

ROBBER G No, I need a playmate, there's no one my own age to play with.

AUTUMN Didn't I always tell you not to play with your food! *(Expects laughter from camp, gets none)*. There's no one else because we've eaten them all. *(Robbers groan, AUTUMN looks crest fallen moves arms to silence laughter.)* Maybe I should give up on the jokes.Go to your room!

ROBBER G You can't tell me what to do, you ain't my mother!

AUTUMN Yes, I Am! *Five Chorus members each say Doof! Eastenders Style.*

GERDA I don't think I'll taste that good.

ROBBER G And I need a peer group.

AUTUMN She's not a peer group, she's supper! *(Nothing – tumble weed?)* Oh, for goodness's sake!

ROBBER G So can I keep her?

AUTUMN *(In Acceptance)* Sure. How's that little Red-haired girl?

RED is pushed past in a cage growling 'Ah!' (can be VO) as carrots are thrown towards her, she makes swallowing sounds.

URCHIN *(Now on Crutches.)* If I cannot happily affirm to that which the question is most agreeable to reply to ma'am.

CHORUS He means, she's eating all the vegetables.

AUTUMN Good, we'll do a curry. See if you can rustle up some of that basmati rice.

ROBBER G They deserved it. Guy who owned this hat, *(Hook's Hat)* he was a male chauvinist bilge bag!

GERDA Suits you. I'm not sure I agree with stealing things though.
