Snow Queen Audition Pieces – Snow Queen & Kai

SNOW Q This used to be the most beautiful Mirror in all the world.

KAI I need to go.

SNOW Q Have a guess how many pieces it got smashed into?

KAI Must I?

SNOW Q Go on, have a guess! It's Fun!

KAI Not for me! Um, a hundred?

SNOW Q A Hundred? It's not fake glass!

KAI Two hundred thousand!

SNOW Q It wasn't tempered!

KAI Oh alright, four hun...

SNOW Q One Thousand, Six Hundred and 37!

KAI Wow, that's a lot!

SNOW Q Yes, it is! Anyway, I'm sure a smart boy like you can put it back together again.

KAI You can't make me.

SNOW Q No, you're right, I can't. But just imagine what I can give you if I get what I want; the world will be your oyster!

KAI At least can I start a fire? Do you have a match?

SNOW Q A Match?

KAI Doesn't that dress have pockets?

SNOW Q Pockets? Have you ever seen a Queen with pockets? When I went for my fitting at Chez Alison the one thing I forgot to say was, can you give me *pockets!*

KAI It's cold.

SNOW Q NO FIRE! NO FIRE! Fix the mirror and then you can leave. Don't make any noise, I need to rest and if you wake me during the Summer, I shall have to be *very* angry with you.

T-BAG *(In answer to RUMPEL)* What? *(Looking back at the saucer.)* Curses, not another miserable little miss bossy boots to get in my way! We need to get to this here hotel and sharpish!

T-SHIRT But I haven't even had my tea break yet!

T-BAG TEA BREAK! I'll give you a tea break, my boy!

T-SHIRT Oh, thanks very much.

T-SHIRT gets out a biscuit and a comic book and relaxes on the edge of the stage.

T-BAG T-SHIRT!

T-SHIRT But you said...

T-BAG Oh stop sniveling boy, Dear me, what am I going to do with you?

T-BAG takes the comic from T-SHIRT and ceremoniously puts it in a bin as T-SHIRT follows and removes it straight away from behind her.

T-BAG We don’t have a moment to lose!
